My dear sir

The Sub-Judge has sent up the records of Venkatarayi Iyer's case to the District Judge for orders as he thought it under the Land Revenue Code, only District Judges can dispose of any matter in which the Govt is interested.

The District Judge, on perusal of records, must dispose of the case and send the records back to the Sub-Judge for

leave subject to the views
of those presented the Circuit
by the 15th June next for

Execution Case No. 28/29 of 1897-98

Petitioner
Venkatagiri Gosavi. vs C. Petitioner
Mr. Sreenivasachar

Order

In O.S. No. 61 of 1892 the Sub Judge of Mysore passed a decree against one Dhanaraj Bha making certain mortgaged properties liable for the amount decreed, these had however been taken possn of by the Government on behalf of a religious endowment and as execution creditor now seeks to proceed against the Muzrai Secretary in order to enforce his mortgaged lien against the property, the Sub Judge ha referred him to this Court under the provisions of Sectn 229 of the Land Revenue Code.

I do not however think that this section can be extended beyond its proper scope, it simply provid that no subordinate Court shall receive or register any suit against Government and there is no mention of other proceedings Execution or miscellaneous, Consequen the proviso must be restricted to suits only, and the Sub Judge should proceed with the execution of the decree passed by him in due course of Law. His Excellency Sir K. Seshadri Iyer KCSI
Dewan Bahadur
Mysore

May it please your Excellency,

The humble petition of Sowcar Easwarappa Gosayi disciple of Chakreshwara Gosayi, residing in Mysore.

That on the motion of the petitioner the temples of Sri Kasi Visweswara &c at Gangam Seringapatam Taluk and their endowments have been taken over under the direct management of the Muzrai Department and proceedings passed vide No 920-1 dated 8th February 1897 Muz: F 33-96.

2 Ever since the rejection of petition of Venkatagiri Gosayi under proceedings referred to above regarding reconsideration of orders of Government anent the liquidation of debts due by them by Dharmaraj Bharathi late manager of the temple, he has been endeavouring by means of execution applications in the Civil Courts to take possession of endowment properties in satisfaction of the exparte decree amount thereby to thwart the noble and charitable object of His late Illustrious Highness Krishnaraj Wadeyar Bahadur G.C.S.I.

3 Under these circumstances the petitioner humbly solicits Your Excellency to be graciously pleased to pass orders prohibiting the Civil Courts from interfering with the Devadayam Inam lands which have already been made over to Government for the due fulfilment of the object for which the endowment was originally granted

4 Further the petitioner begs that the management of the temples be entrusted to some respectable people as Dharmadarsees who are charitably disposed and who take religious interest in the daily observances of worship &c and the general supervision, and should the Government be pleased to adhere to the traditional custom of appointing a Gosayi Manager and should in the opinion of Govt. petitioner is not found incompetent, petitioner is willing to place his gratuitous service at the disposal of the Govt.

5. Petitioner begs to submit that the present state of affairs at the said temples and their management are not very commendable. In fact the list of Utsavams remains dead letter. Special worship, processions, and feeding on special occasions enjoined by the founder have not been observed. Much less any attempt towards the collection of Income arising from the endowed properties have been made for some years past. In fine the whole management is in a chaos and confusion.

6. Under this state of things it is for your magnanimous Excellency to extend your Excellency's benevolent hands for the resuscitation of the noble object for which the charities were made by His late Highness.

For which act of justice and charity petitioner as in duty bound shall ever pray for your Excellency's long life & greater prosperity.
